

*"Education is the most powerful weapon
which you can use to change the world."
—Nelson Mandela*

February 2025 Issue

Superintendent, Ted Classen

Dear Parents and Students

Kindness is one of the most powerful tools we have, to build a supportive and positive community. As we enter the second half of the school year, we face the coldest, darkest days of winter, it's easy to feel weighed down by challenges and emotions. However, this is precisely the time when kindness and positivity matter the most.

Being kind doesn't require grand gestures. Often, it's the smallest actions that have the biggest impact. A small smile, a warm hello, or even just holding the door open for someone cannot only brighten someone else's day but also your own. When we approach others with understanding and empathy, we create an environment where everyone feels valued and safe.

While I don't expect everyone to be best friends, we all can commit to treating one another with respect and compassion. I would also like to encourage parents to take this opportunity to model and reinforce kindness at home. Celebrate small acts of compassion you see in your children, and talk about ways to treat others with respect, even in the hard moments.

During these winter months, when spirits can dip, let's all make an extra effort to pause, think before we speak, and choose words that uplift. A little positivity can go a long way in helping us all get through these colder, tougher days together.

Warmest regards,

**Ted Classen
Sutherland Public Schools
Superintendent**

Welcome Aboard!

My name is Brett Webster and I am thrilled to join the Sutherland School District as your new Superintendent starting July 2025. My wife Heather, along with our three kids Jack, a high school sophomore, Miles, a 6th grader, and Reece, a 3rd grader, are excited to be moving to Sutherland. As a family, we love to be active and rarely have downtime. We enjoy a number of recreational activities with most of our time spent at youth activities. We are eager to explore all that Sutherland has to offer and are looking forward to becoming active members of your community.

I began my educational career as a teacher at Conestoga and Cambridge, where I developed a deep appreciation for the power of great teaching and learning. Looking to make a bigger impact, I pursued my administrative degree at Concordia University and transitioned into my current leadership role. For the past 10 years, I've served as the Elementary Principal in Osceola, where I've had the privilege of working with dedicated educators, supportive families, and inspiring students.

In December 2023, I earned my Education Specialist degree from Wayne State College, further enhancing my knowledge and skill set to better serve the educational community. My journey in education has been both rewarding and fulfilling, and I am excited to bring my experience and passion for student success to this vibrant community.

As your new Superintendent, I am dedicated to working collaboratively with the students, staff, families, and community members of Sutherland to ensure that your children have every opportunity to succeed. Together, we will continue to build a thriving educational environment that nurtures the potential of all our students.

We are excited for this new chapter and can't wait to join Sutherland!

JUNIOR HIGH/ HIGH SCHOOL

As we move into February, the second semester is well underway, and we continue to see incredible effort and growth from our students in academics, activities, and athletics!

For our junior students, ACT season is right around the corner, and we are excited to kick off John Baylor's OnToCollege ACT Prep this month. This program is a fantastic opportunity to help students build confidence and improve their test scores, which can open doors for scholarships and future opportunities. Thank you to the students who have committed to putting in the extra work to prepare, and to the parents supporting them in this journey. We know that with focus and dedication, they will see great results!

As the winter months continue, our winter sports and activities are beginning to wind down. We are incredibly proud of our athletes and participants for their hard work, perseverance, and sportsmanship throughout the season. Whether it's on the basketball court, the wrestling mat, the stage, or in other extracurriculars, our students continue to represent Sutherland with pride. Thank you to our coaches, sponsors, and parents for the time and dedication you pour into these programs. We look forward to finishing the season strong and celebrating all of their achievements!

We know this time of year brings an increase in illness, and while we prioritize student attendance, we also want to ensure the health and well-being of all students and staff. If your child is running a fever, please keep them home until they are fever-free for 24 hours without the use of medication. Encouraging proper handwashing and healthy habits will help us all stay as healthy as possible as we push through the last stretch of winter.

As we begin to turn the corner toward spring, we encourage students to stay engaged in their coursework and activities. The school year always seems to pick up speed after February, and we want to ensure every student is set up for success as we approach the final months of the academic year.

Thank you for your continued support of our students, staff, and school. We are grateful to be part of such a strong and supportive community. If you have any questions or concerns, please don't hesitate to reach out.

With Sailor Pride,
BreAhanna McConnell
Sutherland 7-12 Principal

Elementary School

Elementary Happenings

Anchored in One Book

Mrs. Sandberg and her committee launched an exciting initiative called "Anchored in One Book." To spark student curiosity, the committee created a teaser trailer and hosted a grand book reveal in the gym on January 17th. The chosen book is *Charlotte's Web* by E.B. White.

During the event, the "oldest and only" child in each family received a copy of the book along with a pacing calendar to guide families on which chapters to read each week. At the end of each week, students can complete a simple activity to turn into Mrs. Sandberg for a small positive incentive. This activity has been made possible through grant funding.

Sutherland Elementary Sailor Bank

Adams Bank and Trust officially opened the **Sutherland Elementary Sailor Branch** on Wednesday, January 15th. Parents can grant permission for their children to open a savings account, which operates under a larger Sutherland Elementary School account while tracking individual deposits separately.

Students can earn prizes for reaching certain savings milestones. However, withdrawals are not allowed until the student graduates 6th grade or leaves the school. At that time, students will receive a check for their account balance.

The Sailor Bank is open on the 1st and 3rd Wednesdays of each month from **7:30 a.m. to 7:50 a.m.** in the school commons area. Note: No checks or change are accepted.

Spelling Bee

Sutherland students will compete in the Spelling Bee at the **Mid-Plains Community College Theater** on **February 7th**. Each classroom from 5th to 8th grade held a spell-off to determine their representatives. The top two students from each grade are as follows:

- **5th Grade:** Bennett Mills and Bentley
- **6th Grade:** Melanie Krajewski and Samuel Maltzberger
- **7th Grade:** Caydence Rasby and Bentley Brunz
- **8th Grade:** Liam Albertson and Hadlee Scott

Best of luck to all participants!

Ms. Pritchard

SCHOOL COUNSELOR

February brings forth a busy time of year for seniors. Working on scholarships and finalizing information for their colleges such as housing, immunization records or anything else they may be asking for. Have your students check their email and college accounts regularly to see if there is anything further that needs to be done. Our first round of local scholarships were due in January in order to get them to the appropriate committees. Mid-Nebraska scholarships are all on-line this year with a deadline at the end of February. See <https://midnebraskafoundation.org/> for more information. The seniors' Google Classroom is a wealth of information and scholarship opportunities, so please make sure you are checking with your student to see if they are missing any deadlines. That information has been shared with them several times, but can be found at <https://classroom.google.com/> with the class code of 37xa2lu

The new and improved FAFSA is up and running. Go to <https://educationquest.org/pay/applying-for-financial-aid/> for more information and help with filling out the FAFSA. The student and the parent will both need an FSA ID and those can be acquired at studentaid.gov.

Junior's will have the opportunity to turn in Girls State, Boys State and Junior Law Cadet applications. These applications can be found in their google classroom. Parents have been sent an invite, but if you missed it go to <https://classroom.google.com> and join the class with the code [wbmrgdk](https://classroom.google.com).

Juniors are starting to talk more about college visits and where they want to end up after they graduate. MPCC has come to complete the Gallop Interest Survey and will go over those results soon to start the topic of what they may want to do with their lives after high school. 8th graders will partake in a college/career day at MPCC this spring. Sophomore, junior and senior students who have a 90% GPA and higher and no negative behavior referrals in the last calendar year have received applications for NHS with a due date of February 4th at 4pm. So many things are happening so please have your students stay tuned to their emails for any further information!

Colleges and military personnel are starting their spring visits to Sutherland to talk with Juniors and Seniors. These are sent through their email and I encourage them to go to as many as possible to learn what each school can offer them. March is going to be super busy with even more activities such as the Book Fair, registration for 2025-2026 school year, scholarship deadlines, and so much more! Stay tuned!

Friday, March 14, 2025 5PM to 7PM

** Must be elementary age or younger with an adult to attend

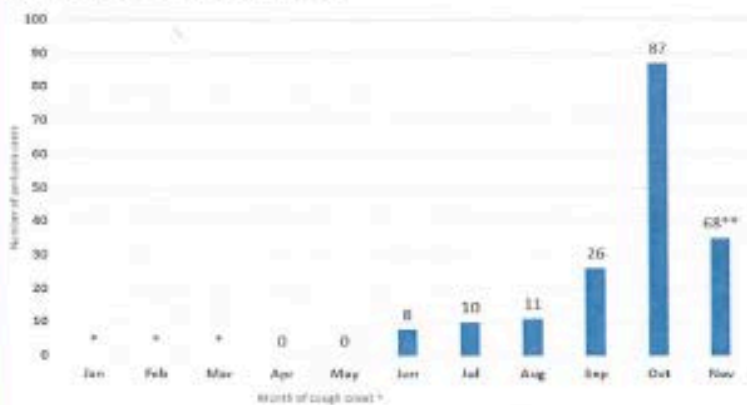

KIDS HEALTH Zone

Whooping cough, also known as pertussis, is an acute contagious respiratory illness. Caused by the bacterium *Bordetella pertussis*, it is spread from person to person by coughing or sneezing. According to CDC, approximately 1 in 3 babies (less than 1 year of age) who contract pertussis require hospitalization.

Whooping cough cases are rapidly rising throughout the United States. During the week of November 2, 2024 (CDC Week 44) there were five times as many cases as the same week in 2023.

In Nebraska, a total of 250 confirmed and probable pertussis cases has been reported statewide since January 1, 2024.

Number of Confirmed and Probable Pertussis Cases by Month, 2024, Nebraska

* There were fewer than 5 cases during these months.

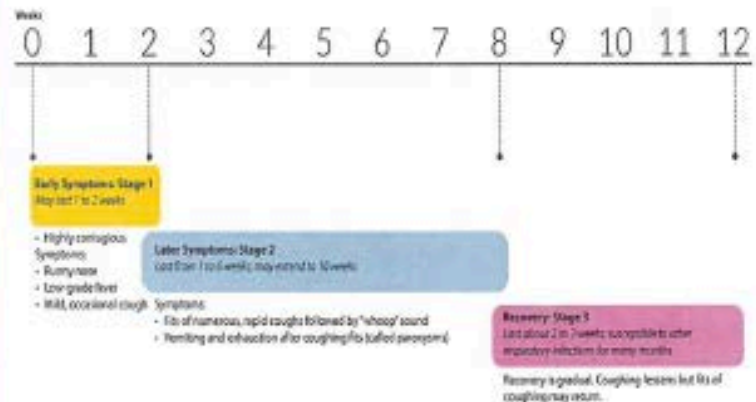

^ If cough onset was unknown diagnosis or report date was used.

** Cases from November 1, to November 20, 2024.

Signs and symptoms:

- Early on, the symptoms are similar to most colds (runny nose, low grade fever, mild cough).
- Loud, strong cough starts 2-3 weeks later.
- Cough may cause vomiting, difficulty breathing, and skin to turn blue.
- After paroxysm of cough (many rapid coughs in succession), the 'whoop' occurs when the child can finally take a deep breath in.

Whooping Cough Disease Progression

cdc.gov/whoopingcough

Risk Factors: The following groups of people are at greater risk for severe pertussis including death and hospitalization:

- Children under 1 year
- Immunocompromised individuals and individuals with underlying conditions such as asthma and lung disease.

Pertussis can be serious and sometimes deadly for babies and young children, especially those who have not had all their recommended pertussis vaccines.

Prevention:

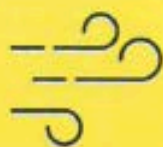

- The best way to prevent whooping cough is to get vaccinated.
- Prophylactic antibiotics help prevent people exposed to pertussis from getting sick.
- Practicing good hygiene help prevent the spread of pertussis and other microbes that can cause respiratory illnesses.

Pertussis complications can include:

- Apnea (inability to breath)
- Pneumonia
- Convulsions (violent uncontrolled shakings)
- Encephalopathy (disease of the brain)

THE 7 LAYERS OF PROTECTION FOR RESPIRATORY SEASON FOR STUDENTS

USING ALL THESE STEPS TOGETHER IS THE BEST WAY TO PROTECT YOURSELF, YOUR FRIENDS, AND YOUR FAMILY FROM GETTING SICK FROM VIRUSES.

Cleaner Indoor Air (Ventilation): Fresh air inside helps keep us healthy. Good ventilation means letting in more clean air to stop germs from spreading.

- Open windows and allow fresh air in, even just a crack. Always ask first!
- Go outside for lunch and activities such as recess and social periods.
- Dress in layers if cooler outside.

Cleaning, Sanitizing (reducing the number of germs) & **Disinfecting** (killing most of the germs):

- Kids should not use sanitizers and disinfectants by themselves.
- Don't forget to keep your backpack clean.
- Schools should refer to local policy or other regulations on disinfecting specific areas of the school (e.g., food service areas, bathrooms)

Hand hygiene:

- Keeping the hands clean is one of the best ways to stop germs from spreading.
- Hand sanitizers with alcohol are gentler on your skin than soap and water.
- Use lotion to keep your hands soft and healthy.

Masking:

- Masks work best when everyone wears one.
- Masks help protect kids who get sick easily, like those with asthma or other lung problems.
- Make sure your mask is the right size and it covers your nose and mouth.

Physical distancing: Try to keep more space between yourself and others when you can.

- ✓ **In line** - stand a few feet apart from the person in front of you.
- ✓ **During lunch** - sit with space between friends.
- ✓ **Walking in hallways** - give extra room.

Respiratory etiquette: Means how to be considerate when you cough or sneeze.

- Cover your mouth and nose with a tissue when coughing and sneezing or cough into your elbow if no tissue is available.
- Throw used tissues in the trash after use and wash your hands.

Vaccines: Getting vaccinated helps stop the spread of germs and protect people who can get sicker, like:

- Grandparents over 65 years of age
- Pregnant women
- Young children and babies

Students of the Month

Anchored in One Book

Sutherland Elementary School students are enjoying a wonderful opportunity to be anchored in One Book this semester. SPS Foundation purchased a book for each family in our district. Now they can spend quality family time reading the book together, while learning life lessons from this wonderful classic. Parents are encouraged to follow the reading calendar sent home and classroom teachers have discussions and activities planned to highlight life changing lessons the book covers.

NO SCHOOL

Reminder

There will be no school on February 14th due to Sutherland Public Schools hosting district wrestling. Teachers will have an inservice day.

Developmental Milestones

0-1 Years

- Smiles when spoken to or smiled at, by 2 months
- Holds head up by four months
- Reaches to grab a toy by six months
- Makes different sounds like “mamama” and “bababa” by nine months
- Walks, holding on to furniture by twelve months

1-2 Years

- Hugs stuffed doll or other toy by fifteen months
- Helps get dressed by pushing arm through sleeve by eighteen months
- Walks without holding on to anyone or anything by eighteen months
- Tries to say three or more words besides “mama” or “dada” by eighteen months
- Points to at least two body parts when asked by 2 years
- Eats with a spoon by two years

2-3 Years

- Says about 50 words by 30 months
- Jumps off the ground with both feet by 30 months
- Notices other children and joins them to play by 3 years
- Says first name, when asked by 3 years
- Puts on some clothes, like loose pants or a jacket by 3 years
- Talks well enough for others to understand, most of the time, by 3 years

Nebraska's Early Development Network is available to children birth to age three who have a developmental delay or disability. If you suspect that your child or a child you know has a delay, please call the local number below.

Contact:

Nebraska Early Development Network is supported through the collaborative efforts of the Nebraska Department of Education and the Nebraska Department of Health and Human Services.

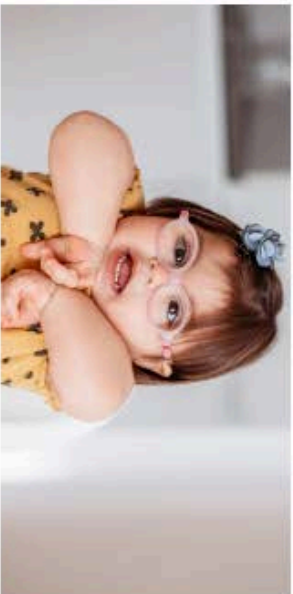

Services Coordination

Visit our website: <http://edn.ne.gov>

The contents of this document were developed under a grant from the U.S. Department of Education, H181A200033. EI-PAM-2 (99073) Rev. 09/2022

What Is Early Development Network Services Coordination?

Services Coordination means a central contact person, known as the services coordinator, is assigned to each family. Services Coordination helps families of children with special needs below age three:

- ✓ Find services to meet developmental, educational, financial, health care, child care, respite care, and other needs;
- ✓ Link with needed services;
- ✓ Work with multiple providers to make sure services are provided as needed; and
- ✓ Become coordinators of services for their own children in the future.

Services Coordination Activities

- ✓ Assisting parents of eligible children in obtaining access to needed early intervention services and other services identified in the Individualized Family Service Plan (IFSP);
- ✓ Making referrals to providers for needed services and scheduling appointments for eligible children and their families;
- ✓ Coordinating early intervention services and other services (such as educational, social, and medical services) for eligible children;
- ✓ Coordinating screenings (if applicable), evaluations, and assessments;
- ✓ Facilitating and participating in the development, review, and evaluation of IFSPs;
- ✓ Coordinating, facilitating, and monitoring the delivery of services to ensure that the services are provided in a timely manner;
- ✓ Informing families of their rights and procedural safeguards; and
- ✓ Facilitating the development of a transition plan to preschool or other services, if appropriate.

Who Is Eligible for Services Coordination?

Eligible families are those who have an infant or toddler below age three who qualifies for services because of a disability or developmental delay.

**Year-round services
coordination is provided.
There is no cost to families.**
